Letter of Request for Organization sign up on Open-ended (ONET) Network of IPBES Stakeholders

I hope that this letter finds you well as the application for the organization sign up for the **Open-ended (ONET) Network of IPBES Stakeholders** refers.

I would herewith like to apply for Enviro Marine Consultants cc (2007/3846) to be registered as a stakeholder organization. Enviro Marine Consultants cc is a close corporation incorporated by the close corporation act of Namibia for the purpose of doing consultancies in environmental management and biodiversity conservation. Enviro Marine Consultants cc regards IPBES as a suitable platform for sharing work related to mainstreaming and cooperation, collaboration and resource mobilization for biodiversity conservation and ecosystem services besides knowledge management.

Enviro Marine Consultants cc has been involved in biodiversity conservation through integrated coastal management along the Namibian coast and now currently advocating sustainability in its undertakings, hence this letter of request to participate in the Open-ended Network of IPBES Stakeholders.

It is my hope that this letter suffice as a letter of request.

Yours sincerely,
Ignatius Kauvee
